SIR,

In continuation of my office letter No.TAD.A.1256 dated 25-1-1927, I have the honour to state that Mr.B.N.Venkataramaiya, Superintendent, Byrapur Chrome Block, has forwarded as indicated in your letter No.D.5353/Geol.97-26-2 dated 12th January 1927, a detailed contingent bill for the expenditure incurred by him during the month of February 1927 but the bill has not been countersigned by any higher officer or the Chairman of the Committee referred to in your letter No.D.5351/Geol.97-26-1 dated 12th January 1927 addressed to the Director of Geology. I request orders as to whether the contingent bills as well as the travelling allowance bills of this officer and of the establishment working under him are to be passed in audit without countersignature or whether they should be countersigned and if so by whom. Orders are also necessary as to the powers that can be exercised by the Superintendent in regard to purchases of tools, machinery &c., and making of appointments, against the sanctioned scale of expenditure. Under the Account Code, Disbursing officers are not authorised to purchase articles exceeding Rs.25/- in value in each case, unless they are granted special powers. In the bill under advertance, the limit of Rs.25/- has been exceeded and hence the necessity for clear orders in this behalf. The bill is passed provisionally pending
